# IRVING SCHOOLS FOUNDATION

Dear Friend of ISF,

The Irving Schools Foundation has served the children in the Irving community for over 36 years. With the impact of COVID, we have not only continued to provide food, clothing, programing, and scholarships to our students, but we have increased our services to meet the demand. In 2022, we plan to do even more, but we need your help.

With that being said, it is my pleasure to announce the ISF's newest "FUNdraising" event...**Guitars and Stars on Sunday October 17<sup>th</sup>** at the Toyota Music Factory in Irving!

Guitars and Stars will feature performances by some of your favorite country artists, amazing food and drinks, and of course, the best part is that all of the proceeds will go to benefit students in Irving ISD!

We are asking that you and/or your company consider sponsoring this event, thus helping us to continue our mission of providing everything our children need to succeed. **Every dollar raised will ensure that our children don't skip a meal, a moment to learn, or an opportunity to grow.** You could have a direct impact on our children's future with your contribution.

Enclosed you will find information regarding sponsorship levels and benefits. Please feel free to contact the Foundation office at **(972) 600-5018** or **isf@irvingisd.net** if you have any questions.

Thank you in advance for considering the Irving Schools Foundation as a way to directly give back to your community...because after all, our children are our future.

Warmest regards,

**Crystal Scanio, CFRE**  
**President and CEO**
