Food for Thought

To help ensure Irving students are equipped for success, we teamed up with community businesses and organizations to collect and distribute food to Irving ISD students in need. Over 23% of children in Texas under the age of 18 live in households that experience inconsistent access to safe, nutritious food at some point during the year. Our goal is to eliminate hunger among the students of Irving ISD.

TESTIMONIALS

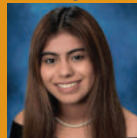

Carmen Guerrero

2019 HIPPY Academic Scholarship Recipient

"It was definitely a surprise but also a blessing. I am glad that I was one of the students selected to receive a scholarship. It really helped my family and me with our financial needs. I'm glad ISF gives us these wonderful opportunities."

Emily Alvarado

2019 Gary L. Schepf Servant Leader Scholarship Recipient

"I am forever thankful to the Irving Schools Foundation for allowing me to step into college with one less worry. My first semester of college consisted of the best months of my life, where I was introduced to the best people I had ever met and was challenged by classwork that intrigued and amazed me. I am grateful that ISF was fully confident of my abilities, and I can't wait to see this chapter of my life continue."

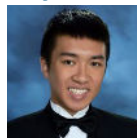

Alberto Ramirez

2019 Sam Houston Texan Scholarship Recipient

"ISF has greatly helped me in being able to achieve an affordable higher education."

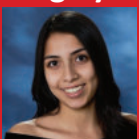

Bryson Ung

2019 Tiffani Cain Memorial Scholarship Recipient

"I feel grateful that receiving a scholarship removes the financial burden of worrying about paying off tuition. Instead, I can now directly focus on my college work and academics."

Magaly Alfaro

2019 Irving Friendship Foundation Scholarship Recipient

"I am beyond grateful for the opportunity that Irving Schools Foundation has given me to help pay the university I attend."

Nandini Patel

2019 Irving Las Colinas Rotary Singley Academy Scholarship Recipient

"Taking the step of being a first-generation college student hasn't been easy, but receiving a scholarship makes higher education a reality for students such as me who might believe their educational pursuits were out of reach."
